A FEARFU

A Sedalia Mo., correspondent says: From a quiet farm to maniac's cell, Jewel Geharty, a pretty Missouri girls was sent this week as the result of a snake bite. The only wonder is that brother, J. H. Nell, on the 14th the girl is still alive. The girl is the victim of a deed that was fiendish in its crueity.

The family moved to Sedalia not long ago. The girl left behind her in the state from which they came a 9. That we his brethren ex- voung man who had been her sweettend to his bereaved relatives our heart, and whom she had refused to heartfelt sympathy, and we assure marry. When she refused him the that the virtues of the loved son young man vowed revenge, but the and brother shall live in perpetu- girl paid no attention to his threat,

After the family removed to Missouri, the girl almost forgot her fors mer lover. But the young man did did not forget. Several weeks ago, a box came by express for Miss Geharty. Notice was received in due time that it awaited her at the express office. and her brother drove to town and brought it out to the farm It was a stout wooden box and the brother pried the cover off with a chisel. Within the wooden box was a smaller box of cardboard and this Miss Geharty Way. lifted out.

With a girls curosity to know what the present sent her was. Miss Geharty set the box on the table and cut and died Sunday October 9, 1904, the string that tied it. She stooped at 1 o'clock and ten minutes, near closely over the box and lifted the cov-Carrollton, Mo. When quite a er. NEVER AGAIN.

President Roosevelt will never again be a candidate. He has made the following statement.

"I am deeply sensible of the honor done me by the American people in thus expressing their confidence in what I have done and tried to do. I appreciate to the full the solemn responsibility this confidence imposes upon, and I shall do all that in my power lies not to forfeit it. On the 4th of March next I shall have served three and a half years, and this three and a half years constitute my first term. The wise custom which limits the President to two terms regards the substance and not the form, and under no circumstances will I be a candidate for or accept another nomination."

ted States in the current year seems likely to exceed that of any previous year, both in quantity of sugar brought into the United States in the nine months ending with September, 1904, is 41 billion pounds, against 32 billion pounds in 1903, the high record impor tation of sugar in the corresponding period of earlier years. Of this enor mous quantity of sugar brought into the United States during the nine months practically one-fourth came from the noncontiguous territory of the United States-Hawaii, Porto Rico, and the Philippine Islands; more than one-half came from Cuba, and the remainder chiefly from other islands of the Fast and West Indies.
